1. **Meeting called to Order at 10:00 am**

2. **Approval of minutes of July 15, 2026**
   The minutes of July 15th were unanimously approved without edits.

3. **Public Comment** – None

4. **Report on Status of Current Resiliency Projects**
   - York Road Phase 2 – AECOM has completed elevation survey of roads and identified utilities and drainage infrastructure. Waiting to obtain soil borings and will then begin solution analysis.
   - Coastal Analysis (bulkhead study) – Verdantas has completed data gathering and is ready to start running various bulkhead elevations through modeling. Town Manager and Chair to get a project update later today.

5. **Discussion and Planning of Community Outreach Event**
   - After discussion, it was decided to postpone the community outreach event. The event will be rescheduled for late fall, after the Verdantas study is complete, or in the spring.
   - The committee also decided to postpone for now its request to Council to consider a change in the building code that would require the use of freeboard.

6. **The meeting was adjourned at 10:27am.**
