

Report to the Town Council

Communications and Public Relations Committee

August 9, 2019

The Communications and Public Relations Committee has not met over the summer, however meetings and planning will resume in September.

Due to many, many requests for the Anniversary Shirts, the SBPOA has agreed to purchase additional Anniversary Shirts to sell at McCabe's. They will be available within a few weeks.

August 8th will be the rain date of the Annual Movie on the Beach "Mary Poppins Returns." The site will be on the beach at the Handicap Ramp on South 3rd and the start time will be dusk, about 8:15 pm. There will be treats, drinks, and glow necklaces for children.

Respectfully submitted,

Carol Stevenson, Chairman
