FROM THE MAYOR'S DESK TIM SAXTON

The summer of 2019 has passed, and fall has finally arrived in South Bethany. We were fortunate to have had beautiful summer weather that allowed our residents to enjoy our beach and recreation in our canals. Our staff and volunteers held two very successful events this summer, a movie on the beach and our 50th Anniversary celebration.

On June 30 we had a very successful celebration of the 50th Anniversary of the Incorporation of South Bethany. The entire Town staff and a multitude of volunteers worked many hours to assure a wonderful afternoon for owners and visitors to learn about our Town and enjoy friendship. The Cornhole Tournament went on for many hours and it was obvious all teams enjoyed their participation. I want to thank all of the staff, volunteers and vendors that contributed to the day's success as it will be something all of us will remember.

Since the last Zephyr, the Town Council has taken continued actions to grow and improve our South Bethany Police Department. In June a new Chief of Police, Chief Lovins, joined the Department. In his first four months, the Chief has been very active in improving the Department. Some of the steps taken to date are:

- Along with Sergeant Wiley, assured the completion of COPT certification for Officer Klopp.
- Hired a new Officer, Shaun Baldasano.
- Officer Fullerton has completed the Delaware State Police Academy and is currently completing Field Training.
- Sponsoring a recruit, Anthony Quiroz, to attend the Delaware State Police Academy this fall. When this Officer graduates the department will be at full staff.
- Implemented multiple software applications to improve the efficiency of the officers and reporting.
- Initiated work on improving Departmental Policies.

These changes reflect the commitment of our Chief and Town Council to have a fully staffed, cost-effective and efficient South Bethany Police Department to serve the property owners of the town.

The Town continues to focus on the bicycle and pedestrian safety on Route 1. Recently South Bethany and Bethany Beach agreed to partner in working with DelDOT to provide improvements along Route 1. Fenwick Island and North Bethany have asked to be included in these discussions. Our goal is to improve the safety from the Indian River Inlet to Fenwick Island. We will keep our owners informed of the progress we make in working with DelDOT.

As we move into the off season, we will begin to work on the initiatives that were passed in the FY 2020 budget so completion occurs by the end of the fiscal year. The Town has been working on the specifications for improved beach pedestrian walkways with the expectation of the bidding process to begin in November. Similarly, bidding for road repairs for Bristol Road will be initiated shortly with the anticipation for the project to be completed in the spring.

For the summer of 2020, parking permits will be required on designated streets on the west side of Route 1. Currently the Town Manager and Chief of Police are putting the plan together for the exact locations. This plan will be announced as soon as it is available, and signs will be put in place by next April.

Financially the Town continues to be in a solid position. Through the first five months of the year our revenues and expenses are tracking to budget expectations. Use of our capital budget remains on schedule for FY2020 with many of these capital expenses planned for the off season.

Lastly, enjoy the off-season activities of coastal beaches and remember to prepare your homes for the winter season.

TOWN OF SOUTH BETHANY COMPREHENSIVE PLAN COMMUNITY VALUES

- We strive to maintain our single-family residential character.
- We protect its natural resources; keep beaches and waterways clean and plan for future environmental challenges.
- We promote appropriate landscaping, property designs and building codes to support the above and to maintain the character of our Town.
- We recognize the importance of public involvement in civic affairs.
- We value the importance of a strong public safety program.
- We value sound financial management and planning.
- We recognize the value of intergovernmental relations.
- We value transparency in Town decision-making.
- We value and require the strongest ethical behaviors of its employees, elected and appointed officials and volunteers.

The Communications and Public Relations Committee Carol Stevenson, C&PR Committee Chair

It has been a busy summer in South Bethany. The crowds are gone, and it is time for owners and residents to enjoy fall. The Communications and Public Relations Committee has planned a Halloween Pot Luck Gathering on Saturday, October 26. The annual event will be held in Town Hall beginning at 6 p.m. Costumes are optional, but many folks come up with some great ones. Kudos to the resident who showed up in his Korean war fatigues along with all the witches, goblins, bathing beauties and fishermen. Please sign up to bring a dish and plan to come. It is a great way to meet old neighbors and new friends and you could win a prize! All are invited! RSVP to saxtonln1@yahoo.com by 10/21.

Our 50th Anniversary Party was held on June 30. It was a special celebration for all. The Town gave out over 200 free Anniversary T Shirts at the event but ran out quickly. Since many folks have asked how they could get a shirt, SBPOA has stepped up to give residents and guests the

opportunity to purchase a special Anniversary T Shirt. They will be available at McCabe's Gourmet Market in York Beach Mall. Thank you SBPOA!

As we look ahead, suggestions would be welcomed. Are we communicating information about South Bethany in an effective way? Do you like the current summer programs and activities available in South Bethany? Would you like a bonfire on the beach? Do you think it is important to offer summer movies and activities that target both our residents and visitors? Should we have a float in the Bethany Beach Independence Day Parade? Do you want a free summer concert? Are the Fitness, Yoga, and Boot Camp programs important to you or your guests? Do you have any ideas for other fun programs we could add to our South Bethany Activities? Would you be willing to volunteer to help with an activity? Please send your comments or suggestions to Councilwoman Carol Stevenson at carol.stevenson54@gmail.com. Help us continue to make South Bethany "The Best Little Beach in Delaware" and your special "Happy Place."

If you were unable to attend South Bethany's **50th Anniversary Celebration** held on Sunday, June 30, 2019, you certainly missed an outstanding party! Nearly 600 people packed the Town Hall parking lot to commemorate the 50th Anniversary of South Bethany's incorporation. Thanks to the generous donation by the South Bethany Property Owners Association (SBPOA), everyone had a chance to enjoy free food and drinks. Thanks, also, to the South Bethany Historical Society for their donation of the 50th Anniversary Commemorative Beach Chair. A very big shout out to the 50th Anniversary Committee Chair, Carol Stevenson, and Committee Member Sue Callaway, and all the staff and volunteers who worked very hard before, during and after the event. To see more pictures of the celebration, check out our Photo Gallery on the Town's website.

Coastal Towns Historic Village 3rd Annual Cottage Tour In South Bethany Saturday, October 12, 2019

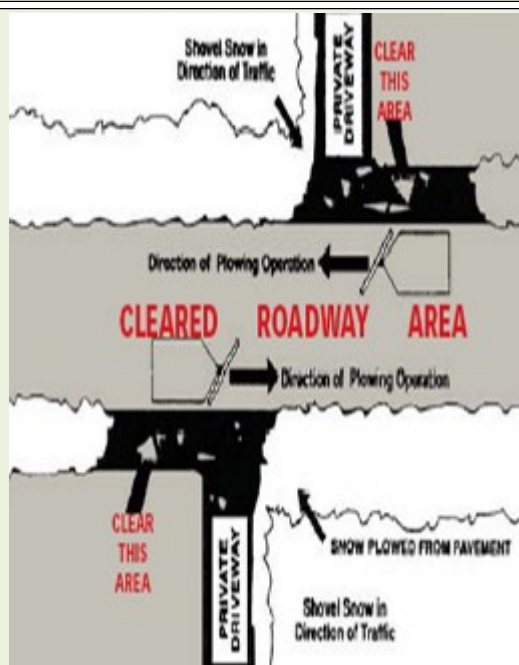

On Saturday, October 12, 2019, Historic Coastal Towns will offer you a glimpse of earlier times in South Bethany by touring six historic cottages and the Town's Richard Hall Memorial Walkway of historic markers. Present owners are graciously opening their history-filled rooms to the public between 10 a.m. and 4 p.m. Limited tickets must be purchased in advance at Ellen Rice Gallery, Rt. 26, Ocean View, at Made By Hand, South Bethany, at Sea Needles, Rt. 26, Bethany Beach, or on line at www.thequietresorts.com. Tickets are \$25, and proceeds support the creation of a new Coastal Towns Museum at 40 West Ave. in Ocean View.

SNOW REMOVAL TIPS

As a reminder, when winter rolls around and if plowing Town-owned roads becomes necessary, the Town is not responsible for maintaining private walkways or plowing private driveways. Please make arrangements with a snow removal contractor. Look in the local newspapers or online for advertisers prior to the snow season.

To lessen the chance of shoveling your driveway twice, here are a few tips, along with a diagram.

1. Create a 'landing strip'. Clear an area before the driveway where snow accumulated on the plows can land.
2. Go with the flow. Shovel snow in the same direction as traffic and pile snow downstream of the driveway.

COMMUNITY ENHANCEMENT COMMITTEE (CEC)—SUE CALLAWAY, CHAIR

VOLUNTEER RECOGNITION WALL

Volunteerism plays an integral role in the planning and delivery of many town-sponsored South Bethany activities and initiatives. To show our appreciation for the time, effort and commitment these volunteers have demonstrated, the CEC has established a **Volunteer Recognition Wall**.

Check out the "Wall" on the town's website - from the top navigation menu select the Boards/Committees drop down menu and then select Volunteer Recognition Wall. Please contact Janet Powell, our Town Clerk, at townclerk@southbethany.org if you would like to get involved in South Bethany's community activities.

2019 9th ANNUAL ADOPT BEAUTY CONTEST WINNERS

Sue Callaway, CEC Chair

The Community Enhancement Committee (CEC) announced the winners of the **2019 9th Annual Adopt Beauty Contest** on August 30. Because of the generosity of our sponsors, Inland Bays Garden Center, we awarded 1st (\$200), 2nd (\$100), and 3rd (\$50) place winners. Thanks to all South Bethany property owners who participated by voting. Sincere thanks to **ALL ADOPTERS** for your volunteerism! Your investment

in our community makes a difference, and we hear many compliments about the canal and road ends. A special thank you to Bobbe Stephan who helped Sue Callaway with contest logistics.

First Place: Scott & Carol Fischer – Bayshore Dr. Canal End

Second Place: Rich & Sue Juliano – Brandywine Dr. Road End

Third Place: Lori & Frank Cicero – Canal End Between W. 2nd & W. 3rd St.

THE CEC LOOKS AHEAD TO 2020!

PHOTOGRAPHY/ART EXHIBIT RETURNS TO SOUTH BETHANY ART IN THE HALL...

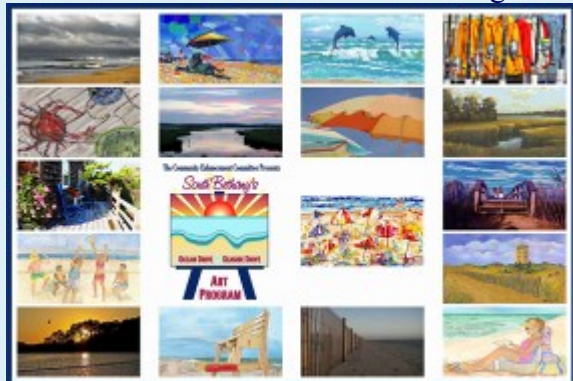

Attention South Bethany and local Photographers and Artists, the Community Enhancement Committee will host its 3rd **ART IN THE HALL** Exhibit at South Bethany Town Hall from **OPENING NIGHT** on Saturday, June 6, 2020, through Friday, July 10, 2020. The 2020 **ART IN THE HALL** Exhibit will feature South Bethany and local coastal scenes presented by both photographers and artists. Building upon the huge successes of the first two exhibits, the 2020 **ART IN THE HALL** Exhibit

will include photography *and* original artwork. Logistical details regarding the Exhibit will be coming soon. Look for future Email News Updates that explain how you can participate in this great event that showcases the talents of South Bethany and local friends and neighbors.

Questions? Email sue.callaway@gmail.com

Ocean Drive/Sea Side Drive Art Program

For nearly 6 years, South Bethany homeowners and guests have enjoyed viewing the artistic talents displayed at each of our 17 beach walkways, located along our "Gateway to the Beach," Ocean Drive and Seaside Drive.

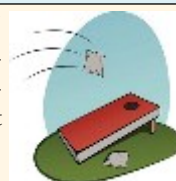

As originally planned, the CEC is on schedule to introduce new artwork for the 2020 summer season. The Art Initiative involves local artists and photographers placing facsimiles of their original work along the side of the receptacles located at each walkway. This display presents an

opportunity to feature creative focal points for the enjoyment of the many South Bethany residents and visitors who enjoy our pristine beaches and a wonderful opportunity for local artists and photographers to exhibit/promote their work!

Look for future Email News Updates that explain how you can participate in the Ocean Drive/Seaside Drive Art Program that displays the talents of South Bethany and local friends and neighbors.

The CORNHOLE Tournament held at the 50th Anniversary Celebration was a HUGE success. The CEC is *evaluating/considering* sponsoring a South Bethany Cornhole Tournament in 2020. BUT, we know that a successful and well-organized tournament involves a lot of volunteer support. Without support, it cannot take place. If you are interested in being in the tournament we are asking that you confirm 3 things: 1) **YES**, I am interested in participating in a tournament; 2) **YES**, I will secure at least one volunteer to assist with the tournament; and 3) **YES**, I have a set of cornhole boards that we can use in the tournament. **EMAIL your 3 responses to Sue.callaway@gmail.com.**

News and updates:

- As a reminder the entire Town of South Bethany is in a floodplain. If you would like to see a map of the flood zone that affects your property visit this link and select the NFHL Viewer. Here is a handy link for that site <https://www.fema.gov/national-flood-hazard-layer-nfhl>
- DNREC has a handy site for finding information concerning your flood risk. Click on the search tab and enter your address. <http://maps.dnrec.delaware.gov/floodplanning/default.html>
- Did you know that repairs, renovations, remodeling, and many other activities require permits both from Sussex County and the Town of South Bethany? Before you start any project please call 302-539-3653 x 211 to see if your project requires permits.
- To improve drainage on your property and have a firm walking surface, consider installing pervious pavers instead of concrete or asphalt.
- If you have questions regarding Elevations, Flood Maps, or Flood Risks please call my office and I will assist you with the information we have on file for your property.
- Consider getting a **NEW Elevation Certificate**. Insurance companies and FEMA use Elevation Certificates as a tool in determining your individual flood risk. Old Elevation Certificates may have used outdated benchmarks that are now unacceptable for rating properties. For help understanding the Elevation Certificate please visit this link. If you're unable to use this link please call my office and I will assist you. <http://www.fema.gov/media-library/assets/documents/160>
- To assist you in preparing for a Hurricane and Emergencies please visit <https://www.ready.gov/>
- IF YOU ARE UNDER A FLOOD WARNING, FIND SAFE SHELTER RIGHT AWAY. Do not walk, swim, or drive through flood waters. Turn Around, Don't Drown!

As the fall and wintertime season approaches here are some reminders regarding our Town Code:

- **Vegetation** - It has been a great year for the plants and grasses but we need to be ever aware not to create a safety hazard for the Town. Please take time to look over your property to see if your plants or trees might be unsafe or creating a traffic hazard for you or your neighbors. The code for these items is included here for convenience. 104-12 states the following:
 - A. **Vision clearances.** The owner of a corner property shall maintain adequate vision clearance at corners by not allowing plantings, shrubbery, bushes, or other vegetation or beautification mounds, including their vegetation, to exceed three feet in height above the grade of the street surface within 10 feet of the intersection of the right-of-way lines of the two streets in accordance with the provisions of §§ 145-9 and 145-13.

- B. **Encroachments.** No property owner shall allow any bush, shrub, tree, planting or other vegetation to encroach onto, or into, the streets, alleys, canals, or other Town rights-of-way in accordance with § 125-2 of this Code.
- C. **Underbrush; dead wood.** All lots shall be kept free of dead trees and accumulations of invasive or noxious vegetation. All lots shall be kept free of unreasonable accumulations of underbrush, limbs, and branches as would constitute a fire or health hazard.

Some wintertime tips:

1. Keep gutters clean of tree debris to promote proper roof drainage. If gutters are clogged, damage to the fascia boards, interior leaks in walls and the growth of mold and mildew can occur in a very short time.
2. When ice and snow cover concrete driveways and sidewalks avoid using salt based ice melting products. Salt is very damaging to concrete. Instead try using a calcium or magnesium based ice melt product. These products melt ice and snow very quickly and are less hazardous to the environment.
3. Consider a home energy evaluation. For more information about how this can save you money visit this handy website : <https://www.energy.gov/energysaver/heat-and-cool/home-energy-audits>
4. Now is a good time to check your smoke detectors. Smoke detectors like most things require maintenance and it is recommended to test them monthly. Did you know that having working smoke detectors properly installed increase your chances of surviving a fire by almost 50%?
5. Have all fuel burning equipment tested and serviced by a professional.
6. Make sure your dryer vents are clear of lint. Blocked vents can often lead to fires in the house.
7. Consider installing a CO detector. Carbon monoxide is an odorless, tasteless and toxic gas. CO can kill you before you are aware of it in your home. At lower levels CO causes mild effects that are often mistaken for the flu. The effects of CO exposure can vary greatly from person to person depending on age, overall health and the concentration and length of exposure. CO originates from many sources such as, but not limited to, leaking chimneys and furnaces, gas water heaters, wood stoves and fireplaces to name just a few.
8. Finally, keep all important phone numbers in a place easily accessible in case of emergency.

Wishing you a safe and warm winter season.

If you need to contact me, the phone number is 302-539-3653 x 211.

ORDINANCE/RESOLUTION REVIEW

Ordinance 195-19, to Amend the Code of the Town of South Bethany Chapter 34, "Beaches", §34-9 to include the word "events" and amend verbiage, and to authorize the Town Manager to permit a Town sponsored bonfire on the beach in South Bethany. **CONGRATULATIONS,
WELCOME,
&
THANK YOU**

Congratulations to Officer Terik Fullerton who graduated from the Delaware Police Academy on August 15 and is now a fully sworn officer of the South Bethany Police Department. Pictured is Chief Lovins (left) introducing Officer Fullerton (right) at the September 13, Town Council Regular Meeting. The Town also welcomes Officer Killian Klopp who joined the Department in April, Chief Jason Lovins who joined the department in June, and Officer Shaun Baldasano who joined the Department in July. In addition, we want to thank Sergeant Patrick Wiley for his 9+ years of service to the Town.

The Town of South Bethany welcomes Ryan Dacey as a full-time employee. Ryan will remain as Captain of the Beach Patrol during the summer months, but off-season, he will be assisting Code Enforcement Officer, Joe Hinks, with field inspections and violations. Welcome Ryan!

**RENTAL TAX DUE
OCTOBER 31, 2019**

Rental taxes shall be due and payable to the Town no later than Oct. 31 of each year and shall cover the prior period of Oct. 1 to Sept. 30. Rental Tax remains at 8% of total gross receipts collected for each residential and commercial property.

NO WAKE ZONES

All waterways from our canals to the Little Assawoman Bay are posted "NO WAKE" zones. If you see a boat creating wake in our canals, make a downward motion with your hand. If the boater chooses to ignore your request to cut the boat speed, you have the right to take pictures and capture the boat's name, boat description, and its registration number and then contact DNREC's Boat Enforcement Division at 302-739-4580.

**HELP KEEP OUR
BEACH AND TOWN CLEAN**

Dog excrement has been seen along the beach. Everyone is asked to clean up after their dogs and not dispose of dog excrement in someone's private trash container. Please adhere to these Town ordinances:

§ 30-5. Removal of excrement. The owner shall carry and use a bag or other device to pick up and remove any excrement said dog shall drop on property other than their own.

§ 114-5E. It shall be unlawful to place or deposit any animal excrement into any cart, bin, can, or container that is not the property of the animal owner or the Town.

HONORARY/MEMORIAL BRICKS
