

CHARTER AND CODE COMMITTEE REPORT  
SUBMITTED TO THE TOWN COUNCIL

October 11, 2019

The Charter and Code Committee is currently working on an ordinance to revise Section 145-9, "Vision clearance at corners" of the Code. This revision will increase the amount of clearance required on corner lots to enable vehicle drivers a better view of vehicles approaching the intersection. The Committee expects this ordinance to become Code by the end of 2019.
