Town of South Bethany

Planning Commission

One Vacancy

There is one (1) vacancy in the Planning Commission. In the interest of encouraging more citizen participation in town affairs, we are publicizing the vacancy as widely as possible to town residents. The term is for two (2) years and the Planning Commission meets bi-monthly or six (6) meetings a year. Members may also be asked to participate in studies and report on their findings. There is also an occasional hearing on land use issues; lot partitioning or lot separation.

A major responsibility of the Planning Commission is to prepare the town's ten-year Comprehensive Plan for approval by the Town Council and ultimately by the Governor. The last ten-year Comprehensive Plan was approved in 2016. The Planning Commission is a recommending body only. The Commission also periodically, with the cooperation of the Town Manager, provides information on the status of the goals in the plan to the Town Council. The Council can then make informed decisions regarding their priorities as changing circumstances might require.

Anyone having questions should contact the Town Manager. Interested candidates should email a brief resume to the Town Manager, Maureen Hartman at townmanager@southbethany.org by December 6, 2019.
