The department is working with Lexipol on the implementation of the new SBPD Police Manual. We have released 25 policies in November.

One of our officers will be deployed by the Air Force National Guard from January 3rd through August 2020 and will return to work Sept 20, 2020.

Our officers have transitioned to new 9mm pistols that were purchased with grant money. There was no expense to the town.

Cadet Anthony Quiroz is reportedly doing very well in the Delaware State Police Academy. He is at the half way point of his training.
