

Town Council Report  
Communications and Public Relations Committee Report  
July 10, 2020

The committee met on June 29<sup>th</sup> at Town Hall. All members were in attendance with Stephani Bunoski and Lisa Saxton attending remotely. One member of the public also attended.

After discussion of the current situation, the committee voted unanimously to cancel the summer movie and bonfire. The large crowds on the beach and the uncertainty of social distancing made the committee uncomfortable with organizing these activities safely.

On a brighter note, our summer Yoga and Fitness and Boot Camp classes continue to be held with Covid Restrictions in place.

Respectfully submitted,

Carol Stevenson, Chairman
