

Town of South Bethany
South Bethany Charter and Code Committee (SBCCC)
Committee Report
September 11, 2020

The SBCCC met, remotely, on August 21st. The primary business of the Committee was to give a final review and approval of a draft ordinance regarding the public bidding for concessionary services required by the Town. The existing revised draft was reviewed, one minor addition made and then the Committee voted to forward the draft to the Town solicitor for a final review prior to being forwarded to the Town Council for initial consideration.

Due to schedule conflicts the Committee agreed to move the date of the next meeting to October 15th at 2:00pm. One day prior to the original scheduled date.

Tim Shaw – Committee Chair
