

Communications and Public Relations Committee
June 29, 2020

The meeting was called to order at 10 AM by Chairperson Carol Stevenson. Also present were committee members Ann Boteler, Linda Whitney and Margaret Oliver. Lisa Saxton and Stephanie Bunoski participated remotely.

A motion was made and seconded to approve both the Proposed Agenda and the Draft Minutes from March 9, 2020. Both were approved by unanimous vote.

There was no public present.

Carol reported that Yoga and Boot Camp on the beach are both going well. Both instructors will have to bid for next year. The bids and control of these services will be taken over by the Town in the future. The CPR committee will give the Town the signs advertising these services. The exercise area at Town Hall is being used a lot.

Carol ordered oil cloth for the North 6th Street bulletin board as it is in bad shape. The committee voted unanimously to replace the bulletin board at North 6th as it is not air tight. Carol will ask the Town to procure an estimate for this first.

Town homeowner Brenda Hossick of 8 South 3rd Street joined the meeting already in progress and voiced her concerns about the Town hosting any public activities, specifically the movie on the beach due to the Covid pandemic. After much consideration the committee voted unanimously to cancel both the movie on the beach and the planned bonfire. Carol will let Brenda know of this decision.

The meeting was adjourned at 10:50 AM
