TOWN COUNCIL MEETING REPORT

DECEMBER 11, 2020

Since the November 13, 2020 Town Council Meeting, the CEC has held two meetings – one on November 20th and one on December 10th. The focus at both meetings was the status of the CEC FY21 budget and confirmed initiatives and the discussion of the CEC FY 22 budget and proposed future initiatives. The summary of the 11-20-20 meeting is posted on the town website.

At both meetings, the group discussed the South Bethany sponsorship of the Bethany-Fenwick Chamber of Commerce's Proposed Artisan Walk in South Bethany. It was agreed that Sue Callaway, CEC Chair will present a summary of the proposal to the Town Council at the December 17th Town Council Workshop to assess the town's necessary interest in the financial and physical support of the proposed event. During December and January, the CEC Chair will prepare the proposed FY 22 CEC Budget that includes initiatives discussed and approved by the CEC and submit the budget to the town's Financial Director. Currently, estimated costs and logistics of proposed initiatives are being finalized.
