

Mayor Report  
March 12, 2020

1. Attended teleconferences with the Governor regarding COVID 19 and the public health crisis. These meetings continue to be very informative and provided information for municipalities to make informed thoughtful decisions. Information that was received was passed along to Town Council members.
2. Was unable to attend the ACT meeting on March 4<sup>th</sup>. The minutes for this meeting will be available in early April.
3. Worked with the Treasurer, Finance Director and Town Manager on Town Finance analyses.
4. Along with Maureen Hartman and Joe Hinks continued to interact with FEMA regarding the new LOMR and FIRM maps. The coastal LOMR and FIRM that were issued on February 4, 2021 were rescinded on February 26<sup>th</sup> due to not providing appropriate notice to the Town of South Bethany prior to issuing. The LOMR and Firm for the West side of South Bethany that were effective December 2020 were also rescinded for the same reason. FEMA will begin the process of correctly notifying the Town for both Town maps in the near future.
5. Town Council and committees continue to meet via electronic methods as per the guidelines of the State. Our goal is to continue business as usual to the best of our ability.
6. Plan for the Town Council to begin meeting in person beginning with the March 25<sup>th</sup> Workshop meeting. The public will continue to attend virtual.
