

Town of South Bethany
South Bethany Charter and Code Committee (SBCCC) Report
March 2021

The SBCCC met remotely on February 19th, 2021 and had Joe Hinks, the Code Enforcement Constable, explain the current issues in the Code regarding work permits so that work on code changes could begin. The Committee agreed to an added meeting in February in order to move forward on proposing code changes as requested by Joe.

The Town has an issue with FEMA regarding permits for minor activities and maintenance. The current code allows for some activities without requiring a work permit. The Committee suggested a no-fee, minimal requirement permit as an alternate for those activities. Shaw was to discuss this with the Town Manager to see if it was workable and acceptable.

The currently scheduled remaining dates for SBCCC meetings are:

- Feb 19, 2021 at 2:00pm EST
- April 16, 2021 at 2:00pm EST
- June 18, 2021 at 2:00pm EST (first meeting of the next annual interval)
