- Two new adoptions are under consideration.

funding:

- Bike Repair Station: This activity was approved by the Town Council. The repair station has been ordered and is scheduled to arrive around June 1. Sue met with Town Manager Hartman and Maintenance director

Stiffler to confirm the location for the repair station in the Anchorage forebay area closest to the largest bike parking area.

- Flags for Heroes: This activity was approved by the Town Council. Flags were ordered and have arrived. Sue met with the Town Manager and Maintenance supervisor to confirm locations for the flags. CEC member Maureen Webster has set up a Sign-Up Genius plan for CEC members to volunteer to insert flags on proposed holiday weekends.
