

Town Council Report

Communications and Public Relations Committee Report

May 11, 2021

The committee met electronically on May 11, 2021. All members were present except for Lisa Saxton who had an excused absence. The committee discussed future activities and the fact that a new chairman will be chosen after the town election on May 29, 2021. Members were encouraged to apply for positions on the committee. Their knowledge and expertise may prove valuable to a new chairman and team.

It was announced that new water tight bulletin boards have been installed throughout town. It was also announced that no Independence Day float will be built as the parade in Bethany Beach has been cancelled.

The summer movie was discussed. The committee chose "Raya and the last Dragon" as the tentative offering on Thursday July 22nd. No snacks will be provided, however water bottles will be available. The committee discussed helping the new chair and committee with signage, advertising, glow necklaces and other items which might be needed for the event.

Other activities which are in the budget were discussed, but it was felt that the new committee should have input on the advisability of going forward with activities at this time. These other planned activities placed on hold are a Bonfire and End of Summer Party to be held August 28, 2021; a Halloween Pot Luck Supper on October 23, 2021; a Caroling Party on December 5, 2021 with several Trolleys; and a St. Patrick's Pot Luck Supper on March 12, 2021.

All members will provide a report discussing the Committee activities. These reports will be turned over to the new chairman.

Respectfully submitted,

Carol Stevenson, Chairman
