

Mayor Report
September 8, 2021

1. Attended the ACT meeting on September 2nd. The committee discussed the annual dues to be set for each of the participating towns. The discussion surrounded the actual financial needs at this time and whether to possibly reduce the annual dues for 2022. Currently the discussion is in the \$3,000 to \$4,000 range. ACT will vote on the dues at the October meeting.
2. Working with the Treasurer, Finance Director and Town Manager on Town Finance analyses and receipt of funds from the American Rescue Plan (ARP).
3. Attended a conference call held by Governor Carney with Mayors of the State of Delaware. The purpose of the call was to inform municipalities that the state is looking for opportunities to work together on infrastructure projects that meet ARPA guidelines. Most of the discussion was around town sewer and possibly storm water projects. The State is looking for suggestions where both parties can gain added benefit by working together.
