

Town of South Bethany
South Bethany Charter and Code Committee (SBCCC) Report
September 10th, 2021

The SBCCC met in person on August 20th at Town Hall. Derek Abbot chaired the meeting due to an unexpected and unplanned absence by Chairman Shaw.

Carl Bittenbender and Tom Barletta reviewed the proposed wording changes for permitting a range of construction in the rear setback area of owner properties. This code change has been requested by Joe Hinks and he has reviewed the proposed wording. A final version is expected to be forwarded to the Town Manager in September so that she, Joe and the Town's solicitor can review it prior to submitting it to the Council as an ordinance first reading.

Due to personal obligations Jessica Rich has been forced to resign from the committee. We work and contributions will be missed. Chairman Shaw has asked that the Town advertise an open position on the Committee.

The SBCCC will continue to meet, every other month, on the third Friday of the month at 2:00pm EST. The remaining meeting dates are:

October 15th, December 17th, February 18th and April 15th

Additional meetings may be scheduled if the workload requires this.

The public is always welcome to attend these meetings and time will be set aside for public comment.

Tim Shaw – Committee Chair
