Answered: 551 Skipped: 9

COMPREHENSIVE PLAN - 5 Year Survey, Town of South Bethany

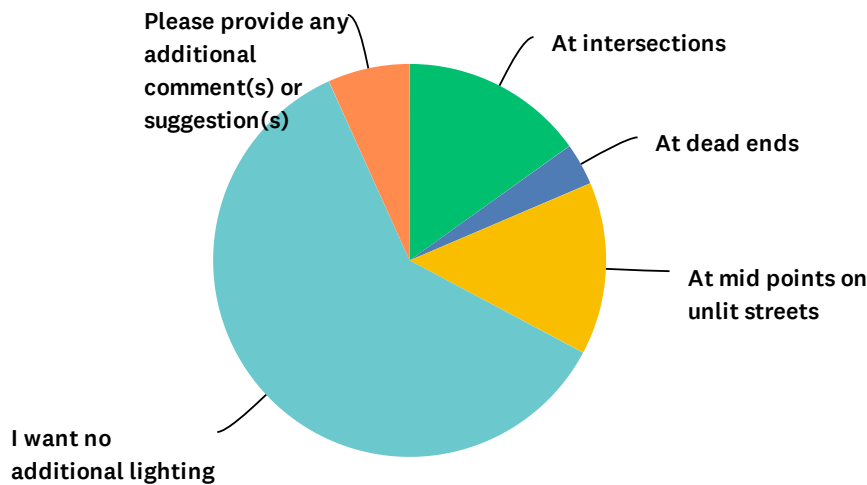

Q21 The Planning Commission is responsible for making recommendations for Land Use issues. The only remaining "open" area that may be available for new uses (consistent with current zoning) is the pine grove triangular area near Town Hall. Should the Town consider/investigate new uses for the pine grove triangular area near Town Hall?

Answered: 539 Skipped: 21

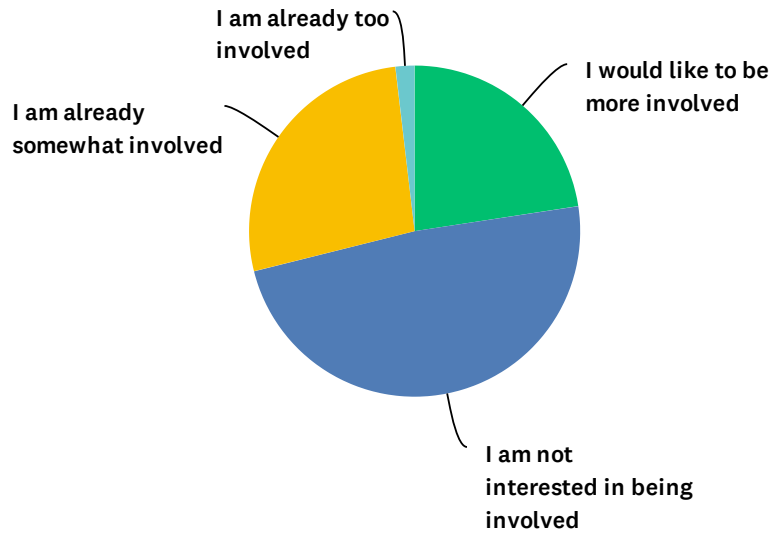

Q22 Past surveys suggested improving Town lighting. Existing lighting and best practices have been studied and a report has been presented to Town Council. Concern for light pollution was included in the report. If pursued, the improved Town Lighting Plan would use existing poles leased from our current utility company. Three lighting uses related to safety and security are identified below. Please select which lighting application(s) you support:
