

Bike and Pedestrian Committee Report – Chair Robert Biciocchi, March 21, 2023

The Committee meet at 2 PM, March 8, 2023, as a virtual session.

The minutes of December 12, 2022, were approved during this first session of 2023.

Results reported are:

- The additional graphic signage to the restricted entrance into Black Gum Rd from Kent Ave. that was approved by Chief Lovins and the Town Manager. The signage is planned to be installed for this 2023 season.
- The discussion of the condition of the Traffic Calming device located at the intersection of Cattail and Tamarack roads will be brought before the March Council Workshop.
- Chairman Biciocchi met with Town Manager and Finance Administrator to review the Residential Parking Permit policy as research to new ordinance recommendations proposed to Council for the 2024 season.

End Report.
