

What's Happening in South Bethany?

November 2023

New Resiliency Committee Formed

The Town Council has formed a new committee to assist in evaluating risks to infrastructure and public and private property from threats including coastal erosion, storms and flooding events, and sea level rise, and to aid in developing and implementing plans and projects to mitigate those risks. More information about the Committee can be found on the Town website under the Boards/Committees tab. All meetings of the Resiliency Committee will be open to the public and will follow posted agendas.

Town Awarded Hazard Mitigation Grant

The Town was recently awarded a hazard mitigation grant from FEMA to fund an engineering study that will evaluate possible measures to address flooding on York Road and adjoining streets. A request for proposals is currently being drafted with the hope that a consultant will be hired and the study will commence in early 2024.

Save the Date for Second Annual Tree Lighting

The Community Relations Committee will be hosting South Bethany's second Annual Tree Lighting on December 2nd at 5 p.m. Join us in the fitness area outside Town Hall for cookies and cocoa, live music, and good cheer. The event runs from 5-6 p.m., with the lighting of the tree at approximately 5:30 p.m. We are holding the event rain or shine, so hope for clear skies.

Monthly Coffee with Council

This month's Coffee with Council will be hosted by Councilman Bob Biciocchi. The event takes place on November 17th at 10 a.m. at Town Hall. This is an informal opportunity to ask questions or share feedback with Council outside of their regular public meetings.

Daylight Savings Time Ends

A friendly reminder that Daylight Savings Time ends this weekend. Remember that the clocks "fall back" one hour on Sunday, November 5th at 2 a.m.

Town Hall Closed for Holidays

Town offices will be closed on Friday, November 10th in honor of Veteran's Day, and on Thursday, November 23rd and Friday, November 24th for Thanksgiving.
