

SOUTH BETHANY POLICE DEPARTMENT

Chief of Police Monthly Report for August 2024

The police department is working to fill two vacant positions. We have an applicant that is in the background check and additional testing including a polygraph and psychological evaluation. We have conducted interviews with three additional applicants and have two scheduled interviews pending.

With the busy summer season beginning to wind down, in the next few months our officers will begin individual personal development training. We have officers attending courses that will focus on Hometown Security and Safety, Fraud, deception, and scam investigations, and legal updates. This training is being funded by grant sources or provide with no cost by the Delaware State Police training academy.
