

## **Department of Public Works**

The Town of South Bethany, Delaware is in search of a full-time Public Works employee. The successful candidate will perform tasks primarily related to maintaining and inspecting the Town's stormwater infrastructure as well as tasks and projects related to the general maintenance of the beach and Town.

Experience with stormwater infrastructure and municipal maintenance. Must be able to perform physical labor and heavy lifting of at least 50 pounds. This position may require working in extreme weather conditions, working some weekends (particularly Memorial Day through Labor Day), as well as working evenings and weekends for emergencies. Municipal experience preferred, experience with stormwater required. 40-hour work week, salary DOQ, plus excellent Town benefit package. Full job description can be found at [southbethany.delaware.gov](http://southbethany.delaware.gov). Send resume and town application to Maureen Hartman, Town Manager, Town of South Bethany, 402 Evergreen Road, Bethany Beach, DE 19930 or email [townmanager@southbethany.org](mailto:townmanager@southbethany.org). Applications will be accepted until Feb 3, 2025. EOE.
