

SOUTH BETHANY POLICE DEPARTMENT

Police Chief's Monthly Report March 2025

Chase Morris has graduated the Dover Police Academy and is currently working shifts with our Field Training officers (FTO's). Officer Morris is scheduled to be on solo patrols in early May.

Officers from our department attended a 30-hour training course provided by the National Criminal Justice Center. The training focused on responding and investigating child abductions. The training established checklists and identified available resources which will save critical time in the unfortunate of the occurrence of a child abduction in our jurisdiction.

Our department assisted with a Emergency Preparedness Workshop held at the Sea Colony fitness center.
