

Community Relations Committee Update July 18, 2025

Since the CRC's last meeting in April, three community events were held. They were: the Spring Bonfire, the Lifeguard Welcome Dinner, and the Unveiling of the Russel Road Town Storyboards. All of these events were well attended and enthusiastically received.

Going forward, the CRC has tentatively scheduled the "Coffee With" Events for July, August, and September. The upcoming "Coffee With" for June is on the 20th, hosted by Councilperson Keefe with guest speaker, Chief Lovins.

The Fall Bonfire is tentatively scheduled for September 26.

The next CRC meeting is scheduled for September 3.

Details regarding these events will be available in the coming weeks.
