

Community Relations Committee

Leadership Report for Town Council meeting on September 12, 2025

The CRC met on September 3 and discussed the following issues:

“Coffee With” events were well attended this summer and seem to be driven by topic. Future Coffees will be targeted to relevant topics and also have Councilperson representation.

Food Trucks will be used at the Spring 2026 Town event.

Town Bulletin boards located on N.6th St, S. 3rd St, and York Rd (at intersection with Rt.1), have been refurbished and updated by members of the CRC. The CRC has volunteered to continue to maintain these boards and update the content monthly.

Upcoming CRC events in 2025 include: Bonfire on the Beach on Sept 26

Coffee with the Mayor on Sept 19
Coffee with Councilwoman Van Horn Oct 17
Food Drive Week Nov 28 thru Dec 5
Christmas Tree lighting Dec 5

The next CRC meeting will be later in September. Date to be determined shortly.
