

South Bethany Charter and Code Committee Report for September 2025 Council Meeting

The Charter and Code Committee prepared a draft ordinance on the restriction of beach canopies or cabanas for the council meeting on August 8. The council decided to have beach etiquette rules drawn up, in lieu of an ordinance.

Three of four existing committee members applied for reinstatement on the committee. Two other townsfolk applied for membership on the committee.

The Charter and Code Committee did not meet in August.

Respectfully submitted,

Mark Giler
Chairman, Charter and Code Committee
