## Chief of Police Monthly Report April 2026

The police department has acquired two police patrol mountain bikes at no expense to the Town, and we have four officers that are police bicycle patrol certified. We are planning to begin bicycle patrols on May 15, 2026.

The police department has secured funding from the Office of Highway Safety, which will provide overtime hours for our officers to focus on pedestrian crosswalk enforcement and education. The overtime patrols will begin on May 22 and continue to mid-September.
